2019 Trudy Beck Memorial

HBMC is paying tribute to one of it's own —

Trudy Beck

Back in the early 70's Trudy was clearly one of the fastest racers in District 37, and could break Top (10) Overall in just about any race she entered.

In her memory, HBMC pays homage to her with the Perpetual Trudy Beck Award.

The award is presented at the end of the weekend to the best (2) day combined overall woman finisher.

The winners name will be inscribed on the *Trudy Beck Perpetual Trophy*, receive a unique award to take home —AND— a \$100.00 check!

Since HBMC first started awarding the Trudy Beck Memorial Trophy back in 2010, it has passed through the hands of many talented District 37 women racers...

Who will it be this year?

Come join HBMC in honoring one of the fastest lady's that ever threw a leg over a bike, while recognizing a new generation of women competing in desert racing!
